Hello, everybody!

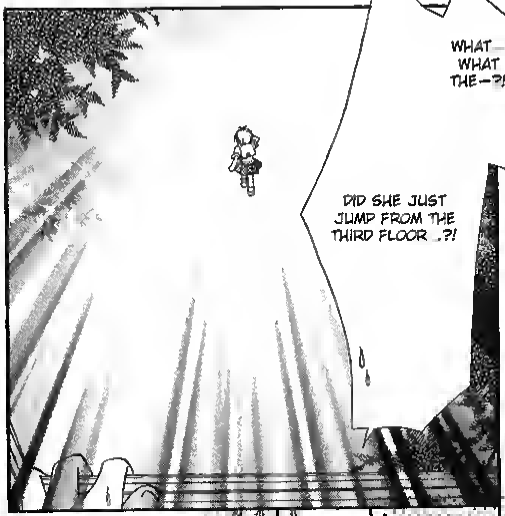
Are you all doing well?

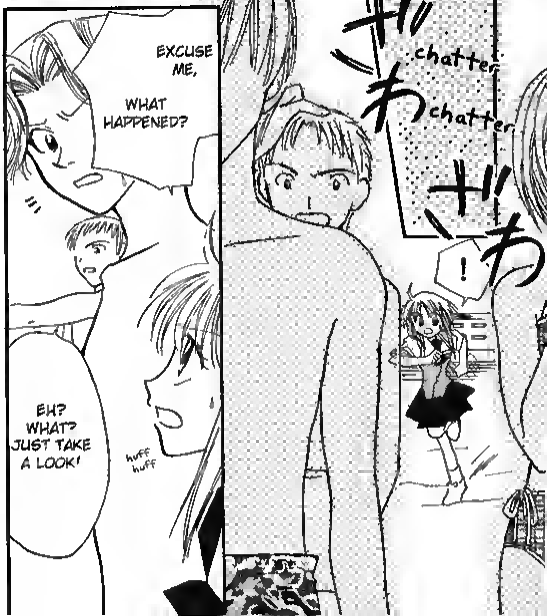
As for me I'm doing fine because I've finally been able to get some rest after publishing this "Yumemi" series.

However I was also doing fine of course, while I was writing the manuscripts for this series!

So, please enjoy yourselves with this second volume!

I lost my fear of driving these last few days. But that's a scary story—





ALL OF A SUDDEN, TWO WEIRD GUYS WEARING DEMON MASKS CAME HERE WITHOUT PERMISSION.

This chapter goes out to Totochan who saved me OODLES of time. Without you, there'd be no chapter.

(I'd probably be wasting time on something silly. Like my thesis. Pfft.)

TOTO ROCKS!! Jonny says so.

And happy birthday Drakokatze! ^_^
